**Dr. Eswaranathan  
Ehambaranathan**

An experienced scholar and strategist with a varied global career across several continents. He has been an Associate Professor at New Zealand's Universal College of Learning (UCOL) since 2015, teaching management, business, and international relations courses across Malaysia, Vietnam, Australia, New Zealand, Japan, the United Kingdom, and the Solomon Islands.

Apart from his academic posts, Dr. Ehambara has also served in diverse leadership positions such as Chief Strategy Officer at DG Sentinel, Senior Manager at MMC New Zealand, Director at the Ministry of Public Service in the Solomon Islands, Honorary Lecturer at the University of Liverpool, Director of Studies at Royal Business College in New Zealand, Human Resource Manager at Nord Anglia Education in Malaysia, Head of School at HELP University in Malaysia, Course Leader at RMIT University in Vietnam, and Human Resource Officer at Ford Malaysia.

---

He is a veteran educator and academic from England, UK, who has an eclectic background in the fields of engineering, computer science, business, and digital change. He possesses a BEng (Hons) and a PhD from Lancaster University and has complemented his qualification with postgraduate awards in the teaching and learning course at Sheffield University, achieving Fellowships in Higher Education (FHEA and SFHEA). His teaching portfolio consists of data analytics, object-oriented programming, AI, and machine learning online courses at various universities like UCL, Open University, University of Leeds, University of Edinburgh, University of Aston, and University of Bolton. Dr. Salisbury's research interests are management information systems, database design, and digital transformation with emphasis on the embedding of technology into business education.

---

**Dr. Andrew Salisbury**

# Faculty Members

---

**Dr. Hatem El-Shreif**

He is a highly experienced finance specialist and academic with more than 25 years of professional experience in academia, corporate management, and consulting. He is currently an adjunct faculty member at the European Institute of Management and Technology, where he delivers postgraduate-level courses in Managerial Economics, Managerial Finance, and Principles of Economics and Finance. In this position, he designs specialized financial curricula, guides students working on research projects, and conducts evaluations, as well as assisting in curriculum development.

## Published Research

- ✦ "The Reliability of Corporate Zero-Default Debt" published in the Emirati Journal of Business, Economics, & Social Studies.
  - ✦ Signed a publication agreement with Generis Publishing for a book to be published within the next 6 months.
- 

Dr. Vinícius Dezem is a Brazilian banking executive and data-driven financial solutions expert, strategic management, and financial technologies. He has a Ph.D. in Engineering Knowledge Management from the Federal University of Santa Catarina (UFSC), with an area of focus on Open Banking APIs and decision support systems. His Ph.D. thesis, entitled "Strategies for Future Data-Driven Banking by Open Banking APIs," explores best practices for incorporating in-house and outsourced technology innovation in open banking.

# Message from The President

Dear Students and Learners,

Welcome to the London School of Management & Technology (LSMT) where individual potential meets world-class education. Here, we've reimagined learning to be inclusive, affordable, and deeply supportive. Our goal is straightforward: to remove traditional barriers and make high-quality education accessible to everyone.

At LSMT, we foster a modern, dynamic, and caring environment. You are not just a student, you are at the centre of everything we do. Our faculty and support team are dedicated to guiding you at every step, with personalised feedback and mentorship tailored to your journey.

We believe education should be a collaborative and empowering experience. That's why we challenge conventional academic norms in favour of innovation, support, and inclusion.

As President, I promise my full commitment to your growth academically, professionally, and personally. With a diverse global student body and a vibrant learning community, LSMT is more than a place to study; it's a place to thrive.

We look forward to welcoming you and helping you unleash your true potential.

**Dr. Gary Latta**  
President, LSMT

# About LSMT University

The **London School of Management and Technology (LSMT)** stands at the forefront of global higher education, shaping future-ready leaders through innovation, excellence, and world-class academic delivery. As a modern institution with an international outlook, LSMT is committed to empowering learners with the knowledge, skills, and confidence to excel in a rapidly evolving world.

At **London School of Management and Technology (LSMT)**, education goes beyond the classroom. Our learning experience blends academic depth with practical insight, leadership development, and exposure to real-world business challenges. Every programme is thoughtfully designed to nurture strategic thinkers, problem-solvers, and innovators who can lead with impact in global organisations.

With a diverse portfolio of undergraduate, postgraduate, and professional programmes, LSMT offers pathways that cater to ambitious learners at every stage of their academic and career journey. Our dynamic, multidisciplinary approach ensures that students gain a holistic understanding of modern business and technology, preparing them to thrive in competitive international environments.

LSMT continues to inspire excellence by providing accessible, future-focused education that empowers individuals to rise, grow, and succeed on a global stage.
